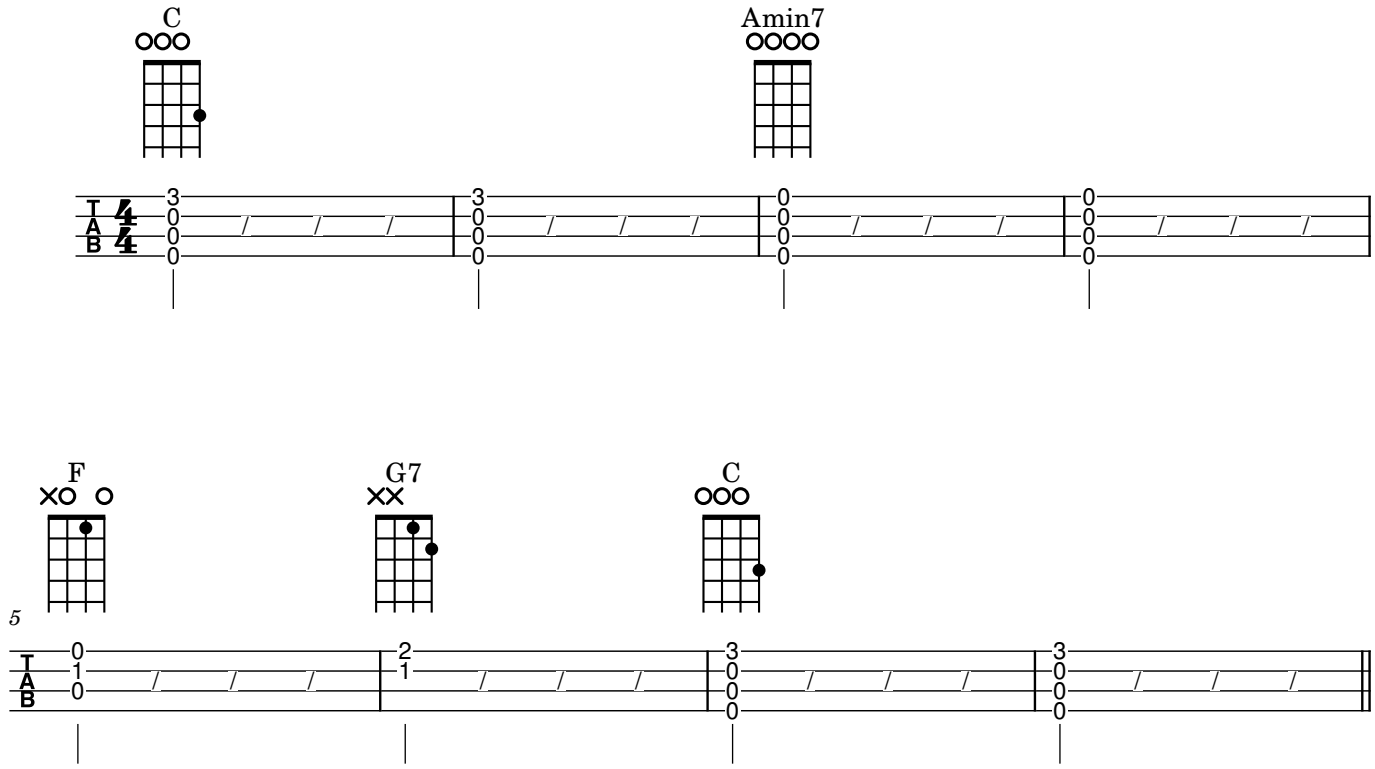
Stand by Me



tekst

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long, just as long as you stand by me
(refrein)
So darlin', darlin', stand by me, oh stand by me
Oh won't you stand, won't you stand now, won't you stand by me
